The Lord's Supper

Jesus Christ gave two ordinances for His Church: baptism and the Lord's Supper. What's special about these two practices is their visible symbolism of God's grace to us. The Lord's Supper consists of the bread and the cup, which symbolize Jesus' body given for us and His blood shed for us. Partaking of this meal symbolizes our ongoing union with Christ as His committed followers. When we share in the Lord's Supper as a congregation twice each month, we remember and proclaim Jesus' death until He returns and we eagerly anticipate the heavenly banquet that we will share with Him forever.
