BREAKFAST AND MISSIONS

AUGUST 6

Lindsay Hall (Europe) is visiting us on the 6th! She has much to share about the Hounslow community, their church plant and ways God is moving there to bring people to Himself.

Cherrydale Kids will have an opportunity to hear from the Hall and Lamkin families about what it is like to have a family member who is a missionary. We will also have games and activities focused on missions.

AUGUST 13

Lindy and Jan Wolner took a trip around the world in late March/early April which included visits with five of our missionary families in East Asia and Southeast Asia. They have lots of pictures and stories to share about what God is doing in some hard to reach places and our partners who faithfully serve there.

Cherrydale Kids will be learning about one of the countries in Southeast Asia and will hear from Austin, David and JoJo via video about what life is like there. The children will then have an opportunity to make a video for Austin, David and JoJo!

AUGUST 20

Greg and Kim DuHart visited three of our missionary families in Africa. You will learn about on-the-ground work to translate the Bible, adjusting to life as a new missionary in Sub-Sahara Africa and what serving Christ is like in a North African country where evangelical Christianity is only 0.12% of the population.

Miss Sarah will be joining the kids via Zoom and give them a glimpse of life in her new home in Sub-Sahara Africa. There may also be some treats from her that the DuHarts brought back from their visit with her in June.

AUGUST 27

Our team of Cherrydale young adults travelled to London in early July to partner with Serge and our very own Lindsay for a major evangelistic outreach among South Asians. Come hear their experiences and how God is a work in this part of London.

Cherrydale kids will be getting a head start on this year's Operation Christmas Child. They won't want to miss spending time with Janine Buser where they will learn where the gospel is being shared with the children receiving shoeboxes.

SEPTEMBER 3

Thirteen students and adults from our Student Ministry travelled to Ecuador in July. The students will be sharing about the ESL vacation Bible school summer camp, maintenance projects on the school properties, and an indigenous people outreach experience.

Registration is required for each week at www.cherrydale.org/summer so we know how many to plan for. Thank you for registering!
