

2024 SUMMER MISSION TRIP TO SHIMONOSEKI, JAPAN

Cherrydale a great opportunity to do a short-term mission trip in **Shimonoseki Japan**, alongside Cherrydale's supported missionaries. We will provide **Vacation Bible School** for 40-70 non-Christian local children. Our team will teach the kids about Jesus in English and do songs, crafts, and games for approx. 2-full days. It is a rare and great opportunity to do candid gospel ministry among an **unreached people group** (Japan's population is approx. 0.57% evangelical Christians). Additionally, we will have a full day of sightseeing.

We need approximately 10-16 adults. Children 10 years-old or older with outgoing personalities would be helpful to this ministry outreach and could join their parents on this trip. Trip dates will be approximately **July 25th to Aug 4th, 2024**. Approximate costs will be \$4,000 per person which you are welcomed and encouraged to raise through support. Cherrydale will cover 25 percent of the trip costs for members.

A valid passport is required, and there are no required vaccines at this time.

We will stay in hotel rooms, but there may be a possibility to choose to stay with a local family for part of our time there. Those with food allergies can be accommodated.

The **deadline** to apply for this trip is **February 17th**. We apologize for such a short turn around, but it is a tight window of opportunity!

Please join us for a 30-minute interest meeting on Sunday, February 4 after service in Rm 230A, or contact dyoung@cherrydale.org for more information.
